Sommario/riassunto

India Migration Report 2014 is one of the first systematic studies on contribution of diasporas in development, in countries of origin as well as destination. This volume examines how diasporic human and financial resources can be utilized for economic growth and sustainable development, especially in education and health; offers critical insights on migrant experiences, transnationalism and philanthropic networks, and indigenization and diaspora policies, as well as return of diasporas; and includes case studies on Indian migrants in the Gulf region - in particular, Bahrain, Oman and Saudi Arab
