Sommario/riassunto	In the waning years of the Cold War, the United States and China began to cautiously engage in cultural, educational, and policy exchanges, which in turn strengthened new security and economic ties. These links have helped shape the most important bilateral relationship in the late-twentieth and early twenty-first centuries. This book explores the dynamics of cultural exchange through an in-depth historical investigation of three organizations at the forefront of U.S.-China non-governmental relations: the Hopkins-Nanjing Center for Chinese and
