Brundage, and Jirel of Joiry 13 Psycho-ology 101; 14 "To Hell and Gone"; Index; About the Editors and Contributors
Sommario/riassunto	This volume collects critical essays that provide a broader understanding of the magazine Weird Tales and its authors, artists, readers, and editorial practices, as well as the larger impact that the periodical had on popular culture and genre fiction. In particular, these essays explain why Weird Tales deserved its subtitle "The Unique Magazine" and why works by some of its authors have endured.
