Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction -- The science wars -- The science fiction history of Stargate SG-1 -- Two cultures, one mission -- Scientists, the characters representing science -- Skepticism, doubt, and knowledge -- Science and technology -- Conclusion.
Sommario/riassunto	Stargate-1's original run overlapped the peak and aftermath of the Science Wars, which allowed for the show to engage questions about the nature of science and technology. This book focuses on how the series depicted science (as an enterprise) and scientists at a time when the Science Wars were raging and the nature of both was sharply contested.
