Collana	Latina/o sociology series
Disciplina	364.1530972
Soggetti	Sex crimes Sex Incest Families Sexualite - Mexique Sex - Mexico Familles - Mexique Families - Mexico Crimes sexuels - Mexique Sex crimes - Mexico Inceste - Mexique Incest - Mexico Ressources Internet Mexico
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Acknowledgments / Con profunda gratitud -- En familia : sex, incest, and violence in Mexican families -- Conjugal daughters and marital servants : the sexual functions of daughters in incestuous families -- A la prima se le arrima : sisters and primas -- Nieces and their uncles -- Men's life stories -- Toward a feminist sociology of incest in Mexico -- Appendix A. Study participants -- Appendix B. Methodological considerations -- Appendix C. Incest in 32 Mexican state penal codes -- Appendix D. Uncle-niece cases -- Notes -- References -- Index --

About the author.

Sommario/riassunto

“My breasts stopped growing when my grandfather touched them,” confides ‘Elisa’, a young woman who recounts the traumatic incest and sexual abuse she experienced in childhood. In *Family Secrets*, Gloria González-López tells the life stories of 60 men and women in Mexico who, like Elisa, saw their lives irrevocably changed in the wake of childhood and adolescent incest. In Mexico, a patriarchal, religious society where women are expected to make themselves sexually available to men and where same-sex experiences for both men and women bring great shame, incest is easily hidden, seldom discussed, and rarely reported to authorities. Through gripping, emotional narrative, González-López brings the deeply troubling, hidden, and unspoken issues of incest and sexual violence in Mexican families to light. González-López contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it. She examines the strong bonds of familial obligation between parents and children, brothers and sisters, and elders and youth that, in the case of incest, can morph into sexual obligation; the codes of honor and shame reinforced by tradition and the Church, discouraging openness about sexual violence and trauma; the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse. Together, these cultural factors create a perfect storm for generations upon generations of unspoken incest, a cycle that takes great courage and strength to heal from and overcome. A riveting account, *Family Secrets* turns a feminist and sociological lens on a disturbing trend that has gone unnoticed for far too long. “My breasts stopped growing when my grandfather touched them,” confides ‘Elisa’, a young woman who recounts the traumatic incest and sexual abuse she experienced in childhood. Pubbl/distr/stampa	Frontiers Media SA, 2019
Descrizione fisica	1 online resource (128 p.)
Collana	Frontiers Research Topics
Soggetti	Botany & plant sciences Science: general issues
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This eBook is a collection of articles from a Frontiers Research Topic. Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series: they are collections of at least ten articles, all centered on a particular subject. With their unique mix of varied contributions from Original Research to Review Articles, Frontiers Research Topics unify the most influential researchers, the latest key findings and historical advances in a hot research area! Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office: frontiersin.org/about/contact
