

1. Record Nr.	UNINA9910797660003321
Autore	Schoen Johanna
Titolo	Abortion after Roe // Johanna Schoen
Pubbl/distr/stampa	Chapel Hill, [North Carolina] : , : The University of North Carolina Press, , 2015 ©2015
ISBN	979-88-908860-5-7 1-4696-2334-X
Descrizione fisica	1 online resource (352 p.)
Collana	Studies in Social Medicine
Disciplina	362.1988/80973
Soggetti	Abortion - Social aspects - United States Abortion - Political aspects - United States Abortion - United States - Public opinion Abortion - Government policy - United States Abortion services - United States Pro-life movement - United States Dilatation and extraction abortion - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Living through some giant change: the establishment of abortion services -- Medicine at the edges of life: abortion and fetal research -- The formation of the National Abortion Federation and the standards debate -- The development of dilation and evacuation and the debate over fetal bodies -- To protect the lives of American babies: the escalation of antiabortion activism -- Truths, lies, and partial truths: the debate surrounding intact D&E.
Sommario/riassunto	"Abortion is--and always has been--an arena for contesting power relations between women and men. When in 1973 the Supreme Court made the procedure legal throughout the United States, it seemed that women were at last able to make decisions about their own bodies. In the four decades that followed, however, abortion became ever more politicized and stigmatized. Abortion after Roe chronicles and analyzes what the new legal status and changing political environment have

meant for abortion providers and their patients."--
