Recommendations and ConclusionsU.S. Policy in the Region; Principal Challenges and Policy Recommendations; Appendix A. Conceptualizing Alternatively Governed Spaces: A Brief Review ; Appendix B. Methodology; Appendix C. Experts Workshops Participants; About the Authors
	Sommario/riassunto	This study examines different forms of alternative governance in the absence of a strong state presence in the Northern Triangle of Central America-along part of the Guatemala-Honduras border-a region

notorious for its soaring homicide rates, corruption, violence, and emigration to the United States.
