Nota di contenuto	Tools & materials -- Color basics -- Monochromatic painting -- Rendering reflections -- Achieving balance -- Capturing natural textures -- Glazing -- Creating texture & depth.
Sommario/riassunto	"Beginning with an introduction to the necessary tools and materials, this book also covers basic color theory and painting techniques, such as creating washes, scumbling, and painting wet-into-wet, among others. Following the comprehensive step-by-step instructions, artists learn to paint a variety of beautiful waterscapes, including a breathtaking waterfall, a serene pond, a stunning lake, a rushing river, and more -- from start to finish. Along the way, professional tips and tricks from an expert artist help beginning-to-intermediate artists learn how to paint reflections, suggest mood and time of day, and render a variety of natural textures, such as stone, bark, foliage, and more"--
