Sommario/riassunto	What Works at Historically Black Colleges and Universities (HBCUs): Nine Strategies for Increasing Retention and Graduation Rates will have broad appeal within the field of education and beyond. While the primary audience for this book is the faculty, staff, administrators, students, alumni, and campus community of the current 105 HBCUs in the United States, this book is written to appeal to all professionals in the field of higher education, guidance counselors and administrators in P-12 education, sociologists and social scientists, and scholars who study change management, outcomes assessme
