Sommario/riassunto	Questioning whether the Germans were actually as influential or dominant in the Ottoman empire as most standard works suggest, the author attacks the myths surrounding Turkey's role in the war. Originally published in 1968. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in
