

1. Record Nr.	UNINA9910797943403321
Autore	Robins Anthony
Titolo	Grand Central Terminal : 100 years of a New York landmark // by the New York Transit Museum with Anthony W. Robins ; introduction by Tony Hiss
Pubbl/distr/stampa	New York, New York : , : Abrams, , 2013 ©2013
ISBN	1-61312-387-6
Descrizione fisica	1 online resource (465 p.)
Classificazione	TRA004020TRA004000TRA004010
Disciplina	725.31097471
Soggetti	Railroad terminals - New York (State) - New York - History Railroad terminals - Conservation and restoration - New York (State) - New York
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	"In February 1913, Grand Central Terminal opened in New York City. Since then, Grand Central has welcomed millions to the city; every day, tourists and commuters alike walk through Vanderbilt Hall, the former Main Waiting Room, under the striking ceiling painted with glowing gold-leaf constellations. This new book celebrates the centennial of Grand Central by revealing its history and its secrets--like the romantic Whispering Gallery--and by showcasing 200 photographs of the terminal inside and out, from the Oyster Bar to the grand staircases to the train platforms themselves. The stunning images, taken by Frank English, official photographer of Metro North Railroad for over 25 years, make it clear why Grand Central is one of the city's most popular destinations"--
