Nota di contenuto	Introduction : what this book is about -- The institutional framework -- The framework of the discussion -- Linking trade to labor standards for non trade-related reasons -- Linking trade to labor standards for trade-related reasons -- Alternative approaches -- Links in the trade regimes and arrangements of the EU and the US -- The shape of the links proposed in this study -- Objections to linking trade and labor standards -- Additional benefits of linking trade and labor standards -- Getting agreement on linking trade and labor standards -- My own proposals.
Sommario/riassunto	Through in-depth explorations and analyses of "social dumping" and the responsibilities of importing countries, and the relationships of these phenomena to ILO and WTO policies, this book compellingly argues for the creation of a link between international trade and labor standards.
