DIY Financial Advisor: A Simple Solution to Build and Protect Your
WealthDIY Financial Advisor is a synopsis of our research findings
developed while serving as a consultant and asset manager for family
offices. By way of background, a family office is a company, or group of
people, who manage the wealth a family has gained over generations.
The term 'family office' has an element of cachet, and even mystique,
because it is usually associated with the mega-wealthy. However,
practically speaking, virtually any family that manages its investments-
independent of the size of the investment pool-c
