Sommario/riassunto	A delightful look at chance and outrageous fortune In 1968, John Howard missed out on winning the state seat of Drummoyne by just 420 votes. Howard reflects: 'I think back how fortunate I was to have lost.' It left him free to stand for a safe federal seat in 1974 and become one of Australia's longest-serving prime ministers. In The Luck of Politics, Andrew Leigh weaves together numbers and stories to show the many ways luck can change the course of political events. This is a book full of fascinating facts and intriguing findings. Why is politics

more like poker than chess? Does the length of yo
