Sommario/riassunto

Library Roles in Achieving Financial Literacy among its Patrons is a collection of articles from 25 librarians in different parts of the U.S. and Canada, each contributing 3,000-4,000 words: concise chapters with sidebars, bullets, and headers. Contributors were selected for the creative potential in their topics, those that can be used in various types of libraries and that demonstrate a command of financial literacy and are able to communicate what they know to aiding users solve their financial information problems.
