Sommario/riassunto	This book is a treasure trove of information, generously sprinkled with gems of wisdom and insights for helping teachers to eradicate doubt and uncertainty about their teaching. The dynamism of the book is fueled by a highly effective 3-step Believe in Yourself Process, designed

to help teachers modify their belief system about their teaching efficacy. Custom exercises are used to encourage deep introspection, to modify awareness, and to inspire change. Expert techniques and approaches are offered for improving all aspects of classroom teaching such as climate, function, teacher persona, and b
