higher education / Shaun Loria -- Where do we belong? : Latinas/os in pursuit of their educational dream / Viviana Cristian -- At the crossroads of "racial," ethnic, sexual, gender and national borders / Maria Amelia Viteri -- Conclusions: Applying anthropology in multicultural neighborhoods / Lucy M. Cohen.

Sommario/riassunto

"This book addresses how Latina/o immigrants use several strategies to meet adaptation challenges in the Washington D.C. area. Drawing on ethnographic research and practice, the authors focus on models of collaboration and interaction in institutions in the community that have offered opportunities for anthropologists to work with residents in activities that have contributed to knowledge and action"--Provided by publisher.
