Sommario/riassunto	War, Peace, and Reconciliation invites Christians and the churches into a conversation over how to think about war from a standpoint in faith. It asks how reconciliation, which is central to Christian life and doctrine, can engage the realities of war without surrendering its fundamental affirmations. It defines these realities politically by discussing the meanings of power, peace as a particular organization of power, and the international system. The study of war and politics is unavoidable, as is the engagement with reconciliation, because all human existence and activity exist in the cont
