legal reforms : the contribution of Luther's critical public theology / Ibrahim Bitrus -- How should modern Lutherans try to shape secular law? / Robert Benne.

Sommario/riassunto

This volume puts forth an unprecedented, distinctive Lutheran take on the intersection of law and religion in our society today. It gathers the collaborative reflections of legal and theological scholars on a range of subjects--women's issues, property law and the environment, immigration reform, human trafficking, church-state questions, and more--all addressed from uniquely Lutheran points of view.
