## Sommario/riassunto

Scots Jacobite agenda, 1702-10; Chapter 5:The geopolitics of the Enterprise of Scotland; Chapter 6: Conclusion; Bibliography; Index
This book is a frontal attack on an entrenched orthodoxy. Our official, public vision of the early eighteenth century demonises Louis XIV and France and marginalises the Scots Jacobites. Louis is seen as an incorrigibly imperialistic monster and the enemy of liberty and all that is good and progressive. The Jacobite Scots are presented as so foolishly reactionary and dumbly loyal that they were (sadly) incapable of recognising their manifest destiny as the cannon fodder of the first

British empire.
