and Beyond; Chapter Seventeen: Buckle in the Hindu Belt; Chapter Eighteen: Hyderabad, Partition, and Hindutva
Chapter Nineteen: Partition's Others

Sommario/riassunto

This collection contains nineteen interdisciplinary essays that explore the continuing cultural, political, and social impact of the Partition on India, Pakistan, and Bangladesh as well as in the South Asian diaspora. It focuses on neglected areas in the existing scholarship on the subject-themes as well as regions within South Asia-that illustrate Vazira Zamindar's idea of a "Long Partition."
