The Changing Party System and the Challenge of Direct Democracy; Chapter 7. Direct Legislation in United Germany Chapter 8. The German System of EU Policymaking and the Role of the Lander Chapter 9. German Lander Participation in European Policy through the Bundesrat; Conclusion. Toward an Understanding of German Politics at the Turn of a New Century; Bibliography; Index Since unification German society and institutions have been challenged Sommario/riassunto by various transformations and the need to adjust to changing conditions. While much has been accomplished, many political, legal. and institutional problems remain. This volume deals with selected aspects of domestic and European policy, political parties, the challenge of direct democracy, and federalism in unified Germany – all

issues that have been the subject of much discussion, political

posturing, legislation, and, to some extent, constitutional amendments and court decision for many years, if not decades. In conclusion, a British scholar looks at German federalism and a number of public policy issues from a comparative perspective and arrives at some surprising and encouraging results.
