Nota di contenuto	Introduction: current state of research -- The army in the Fuhrer's totalitarian state -- The regime's armed forces -- Training and front experience -- The Wehrmacht and the Volksgemeinschaft -- The war of the factories -- Total war and the war of annihilation -- The Wehrmacht and operations -- Epilogue: the difficult legacy.
Sommario/riassunto	Historians have vigorously debated whether the Wehrmacht's atrocities represented a break with the past or a continuation of Germany's military traditions. Now available for the first time in English, this meticulously researched yet accessible overview by Rolf-Dieter Muller provides the most comprehensive analysis of the organisation to date, illuminating its role in a complex, horrific era.
