

1. Record Nr.	UNINA9910798576003321
Autore	Bahgat Ahmed Yassin
Titolo	Robotic Head and Neck Surgery : The Essential Guide // by: Magnuson, J. Scott, Genden, Eric M., Koppersmith, Ronald B.
Pubbl/distr/stampa	New York : , : Thieme, , [2016] ©2016
ISBN	1-60406-921-X
Descrizione fisica	1 online resource (202 pages)
Disciplina	617.51059
Soggetti	Head - Surgery Neck - Surgery
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di contenuto	The contemporary history of robotic technology / Jason I. Kass and Eric M. Genden -- Training and education for robotic surgery / Julia A. Crawford and J. Scott Magnuson -- The ethics of surgical innovation / Ronald B. Koppersmith -- Room set-up and instrumentation / Julia A. Crawford, Hilliary N. White, and J. Scott Magnuson -- Robotic surgery for management of oropharyngeal malignancies / Mara C. Modest and Eric J. Moore -- Robotic reconstruction of the oropharynx / Eric M. Genden -- The prevention and management of complications in robotic surgery for malignancy / Julia A. Crawford, Hilliary N. White, and J. Scott Magnuson -- Robotic surgery for the management of sleep apnea / Claudio A. Vicini, Filippo Montevercchi, Ahmed Yassin Bahgat, Mohamed Eesa, Ehsan Hendawy, Giuseppe Meccariello, and Julia A. Crawford -- The prevention and management of complications of robotic sleep surgery / Filippo Montevercchi, Julia A. Crawford, Susan K. Sebastian, and Claudio A. Vicini -- Robotic surgery of the larynx / Richard V. Smith -- Robotic surgery of the hypopharynx / Brett A. Miles -- Robotic surgery of the parapharyngeal space / Suren Krishnan -- Transaxillary robotic thyroidectomy / Jandee Lee and Woong Youn Chung -- Robotic neck dissection / Hyung Kwon Byeon and Yoon Woo Koh -- Robotic surgery of the skull base / Michael E. Kupferman and Ehab Y. Hanna -- The future of robotic surgery / Roger Smith.
