

1. Record Nr.	UNINA9910777931403321
Autore	Pugh Steve
Titolo	Wicked cool Ruby scripts [[electronic resource]] : useful scripts that solve difficult problems // by Steve Pugh
Pubbl/distr/stampa	San Francisco, : No Starch Press, c2009
ISBN	1-59327-236-7
Edizione	[1st ed.]
Descrizione fisica	1 online resource (220 p.)
Disciplina	005.13/3
Soggetti	Ruby (Computer program language) Macro instructions (Electronic computers) Computers - Access control - Passwords
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Intro -- Wicked Cool Ruby Scripts -- FOREWORD -- ACKNOWLEDGMENTS -- INTRODUCTION -- Wicked Cool Ruby Scripts -- You Need Ruby Basics -- Documentation -- Organization and Approach -- The Website -- 1. GAMES AND LEARNING TOOLS -- Sudoku Solver -- Sudoku Solver -- sudoku.rb -- The Code -- Running the Code -- The Results -- How It Works -- Flash Cards -- Flash Cards -- flashCards.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Number-Guessing Game -- Number-Guessing Game -- guessingGame.rb -- The Code -- Running the Code -- The Results -- How It Works -- Rock, Paper, Scissors -- Rock, Paper, Scissors -- rps.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Word Scramble -- Word Scramble -- wordScramble.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hangman -- Hangman -- hangman.rb -- The Code -- Running the Code -- The Results -- How It Works -- Pig -- Pig -- pig.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- 6. STRING UTILITIES -- PDF Generator -- PDF Generator -- pdfGen.rb -- The Code -- Running the Code -- The Results -- How It Works -- Word Frequency

-- Word Frequency -- wordFreq.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Comma-Separated Value Parser -- Comma-Separated Value Parser -- csv.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- CSV to XML -- CSV to XML -- csvToXML.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Ruby Grep -- Ruby Grep -- rubyGrep.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Password Check -- Password Check -- password.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- 7. SERVERS AND SCRAPERS -- Define -- Define -- define.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Automated SMS -- Automated SMS -- sms.rb -- The Code -- Running the Code -- The Results -- How It Works -- Link Scrape -- Link Scrape -- linkScrape.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Image Scrape -- Image Scrape -- imageScrape.rb -- The Code -- Running the Code -- The Results -- How It Works -- Hacking the Script -- Scraper -- Scraper -- scrape.rb -- The Code -- Running the Code -- The Results -- How It Works -- Encrypted Client -- Encrypted Client -- RSA_client.rb -- The Code -- Running the Code -- The Results -- How It Works -- Encrypted Server -- Encrypted Server -- RSA_server.rb -- The Code -- Running the Code -- The Results -- How It Works -- 8. ARGUMENTS AND DOCUMENTATION -- File Security -- File Security -- fileSecurity.rb -- The Code -- Running the Code -- The Results -- How It Works -- Web Scraper -- Web Scraper -- webScraper.rb -- The Code -- Running the Code -- The Results -- How It Works -- Photo Utilities -- Photo Utilities -- photoUtility.rb -- The Code -- Running the Code -- The Results -- How It Works -- Conclusion -- 9. SORTING ALGORITHMS -- Bubble Sort -- Bubble Sort -- bubbleSort.rb -- The Code -- Running the Code -- The Results -- How It Works -- Selection Sort -- Selection Sort -- selectionSort.rb -- The Code -- Running the Code -- The Results -- How It Works -- Shell Sort -- Shell Sort -- shellSort.rb -- The Code -- Running the Code -- The Results -- How It Works -- Merge Sort -- Merge Sort -- mergeSort.rb -- The Code -- Running the Code -- The Results -- How It Works -- Heap Sort -- Heap Sort -- heapSort.rb -- The Code -- Running the Code -- The Results -- How It Works -- Quick Sort -- Quick Sort -- quickSort.rb -- The Code -- Running the Code -- The Results -- How It Works -- Shear Sort -- Shear Sort -- shearSort.rb -- The Code -- Running the Code -- The Results -- How It Works -- A Note About Efficiencies -- 10. WRITING A METASPLOIT 3.1 MODULE WITH RUBY -- Introduction to Metasploit -- Installation -- Writing a Module -- Building the Exploit -- Watching in Real Time -- Explanation of Metasploit Module Shell -- Finding the Payload Space -- A. AFTERWORD -- COLOPHON.

Sommario/riassunto

Wicked Cool Ruby Scripts is a compendium of scripts that will make your life easier by saving you time and solving problems. If you find yourself wasting effort and time on a task a trained monkey could do, it's time for Ruby to come to the rescue. Wicked Cool Ruby Scripts provides carefully selected Ruby scripts that are immediately useful. Learn how to streamline administrative tasks like renaming files, disabling processes, and changing permissions. After you get your feet wet creating basic scripts, author Steve Pugh will show you how to create powerful Web crawlers, security scripts, full-fledged libraries and applications, and much more. With each script you'll get the raw code followed by an explanation of how it really works, as well as

instructions for how to run the script and suggestions for customizing it. Wicked Cool Ruby Scripts will save you from the tedium of repetitive tasks and give you back the time it would take to write scripts from scratch.

2. Record Nr.	UNINA9910798626803321
Titolo	Letters from the greatest generation : writing home in WWII // edited by Howard H. Peckham and Shirley A. Snyder ; foreword by James H. Madison
Pubbl/distr/stampa	Bloomington, [Indiana] ; ; Indianapolis, [Indiana] : , : Indiana University Press, , 2016 ©2016
ISBN	0-253-02460-9
Descrizione fisica	1 online resource (370 pages)
Disciplina	940.54/8173
Soggetti	World War, 1939-1945 Soldiers - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"Originally published as Letters from Fighting Hoosiers by Howard H. Peckham and Shirley A. Snyder, Indiana War History Commission, 1948." Includes index.
