Sommario/riassunto	This book by practitioners, policy analysts, and young people, for practitioners, policy makers, and researchers, captures up-to-the-moment experience and as yet unresolved issues in a newly emerging field: dropout reengagement. Key elements in this field include reaching out to young people who have left school for a myriad of reasons, and providing individualized supports and services all the way through to successful re-enrollment. The development of coordinated citywide efforts to re-engage out-of-school youth on positive educational pathways -- in several dozen cities in recent years -- s.
