Sommario/riassunto	This book is the second in a series of Musical Instrument Owner's Handbooks, following The String Instrument Owner's Handbook (2015). Following the first book in the series, The Brass Instrument Owner's Handbook provides professionals, musicians, teachers, students, or individuals interested in brass instruments with an abundance of brass instrument knowledge. The book's chapters answer questions like: Where did these instruments come from? How these instruments work? Who makes them and how are they made? How do I choose and buy a brass instrument? How do I rent a brass instrument? How do I ta
