

1. Record Nr.	UNISALENTO991001056889707536
Autore	Van Norman, Harrell J.
Titolo	LAN/WAN : optimization techniques / Harrell J. Van Norman
Pubbl/distr/stampa	Boston : Artech House, c1992
ISBN	0890066175
Descrizione fisica	xx, 338 p. : ill., maps ; 24 cm.
Collana	The Artech House telecommunications library
Classificazione	AMS 68M10 CR C.2
Disciplina	004.6
Soggetti	Local area networks Wide area networks (Computer networks)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes bibliographical references (p. 329-332) and index.

2.	Record Nr.	UNICAMPANIAVAN0011502
	Autore	Nicodemo, Silvia
	Titolo	Gli atti normativi delle autorità indipendenti / Silvia Nicodemo
	Pubbl/distr/stampa	Padova, : Cedam, 2002
	ISBN	88-13-24045-7

	Lingua di pubblicazione	Inglese
	Formato	Materiale a stampa
	Livello bibliografico	Monografia
	Nota di bibliografia	Includes bibliographical references and index.

"Historians have long analyzed the battles and the military strategies that brought the American Civil War to an end. Going beyond tactics and troop maneuvers, this book concentrates on the characters of the two opposing generals--Robert E. Lee and Ulysses S. Grant--showing how their different temperaments ultimately determined the course of the war. As author David Alan Johnson explains, Grant's dogged and fearless determination eventually gained the upper hand over Lee's arguably superior military brilliance. Delving into their separate upbringings, the book depicts Grant as a working-class man from Ohio and Lee as a Virginia aristocrat. Both men were strongly influenced by their fathers. Grant learned a lesson in determination as he watched his father overcome economic hardships to make a successful living as a tanner and leather goods dealer. By contrast, Lee did his best to become the polar opposite of his father, a man whose bankruptcy and imprisonment for unpaid debts brought disgrace upon the family. Lee cultivated a manner of unimpeachable respectability and patrician courtesy, which in the field of battle did not always translate into decisive orders. Underscoring the tragedy of this fratricidal conflict, the author recounts episodes from the earlier Mexican war (1846-1848), when Grant and Lee and many other officers who would later oppose each other were comrades in arms. This vivid narrative brings to life a crucial turning point in American history, showing how character and circumstances combined to have a decisive influence on the course of events"--

"Shows how the outcome of the Civil War was influenced by the opposing commanders' different backgrounds, personalities, and outlooks"--
