Nota di contenuto	Flaws in the Articles of Confederation -- Economic turmoil in the states and the road to Philadelphia -- The Constitutional Convention -- Slavery and the Constitutional Constitution -- Critics of the Constitution: the Antifederalists -- The ratifying contest -- The Bill of Rights -- Conclusion.
Sommario/riassunto	Americans revere their Constitution. However, most of us are unaware how tumultuous and improbable the drafting and ratification processes were. Based on prodigious research and told largely through the voices of the participants, Michael Klarman's The Framers' Coup narrates how the Framers' clashing interests shaped the Constitution--and American history itself.
