Macdonald -- Women, war and internationalism : notes towards a counter-history / Margaret R. Higonnet -- Freedom from judgement above? : predestination and cultural trauma in Scottish Gaelic poetry of World War I / Peter Mackay -- Shades of Bruce : independence and union in First-World War Scottish literature / David Goldie.

Sommario/riassunto

"Scotland and the First World War : Myth, Memory and the Legacy of Bannockburn is a collection of new interdisciplinary essays interrogating the trans-historical myths of nation, belonging and martial identity that shaped Scotland's encounter with the First World War. In a series of thematically linked essays, experts from the fields of literature, history and cultural studies examine how Scotland remembers war, and how remembering war has shaped Scotland"--
