Autore	Tao Yitao
Titolo	Annual Report on the Development of China's Special Economic Zones (2021)
Pubbl/distr/stampa	Singapore : , : Springer Singapore Pte. Limited, , 2024 ©2023
ISBN	981-9966-67-1
Edizione	[1st ed.]
Descrizione fisica	1 online resource (228 pages)
Collana	Research Series on the Chinese Dream and China's Development Path Series
Altri autori (Persone)	YuanYiming XiangPing
Disciplina	338.951005
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- Series Preface -- Editorial Committee -- Contents -- Part I General Report -- 1 Annual Report on the Development of China's Special Economic Zones (2020) -- 1.1 The Basic Background in the Development of the Special Economic Zones in 2020 -- 1.2 Progress in China's Special Economic Zones and Comments -- 1.3 China's Special Economic Zones Will Further Advance and Deepen the Reforms in Many Aspects Including China's Social and Economic Development -- 1.3.1 Progress in the Economy and the Green Industrial Transformation of China's Special Economic Zones -- 1.4 Progress in Cultural Elements of China's Special Economic Zones -- 1.5 Progress in Aspects of the Ecological Resources of China's Special Economic Zones -- 1.6 The "New Area" Shoulders the Mission of Implementing National Strategies -- 1.6.1 New Progress in the Qianhai Pilot Free Trade Zone -- 1.6.2 New Economic Progress in the China Tumen River Area -- 1.7 New Challenges and Opportunities for the Development of China's Special Economic Zones -- 1.7.1 Establish Long-Term Goals, Emphasize the Developmental Strategy of Realizing Self-reliance and Self-improvement via Technologies -- 1.7.2 Select Modes of Innovation and Development on the Basis of Comparative Advantages -- 1.8 Developmental Path and Issues to be Noticed in the Next Year -- 1.8.1

Macro-economic Control -- 1.8.2 The Structure of Distribution --
Bibliography -- Part II Special Topics -- 2 Report on the Development
of the Green Industrial Transformation of China's Special Economic
Zones -- 2.1 The Driving Force and Mechanism of Green Industrial
Transformation -- 2.1.1 Government Environmental Regulations --
2.1.2 Green Trade Barriers -- 2.1.3 Green Technological Innovation --
2.2 The Overview and Developmental Trend of the Green Industrial
Transformation in China's Five Major Special Economic Zones.
2.2.1 The Implementation of Cleaner Production -- 2.2.2 Overview
of the Development of the New-Energy-Vehicle Industry -- 2.2.3
Overview of the Development of the Green Building Industry -- 2.2.4
Overview of the Development of Green Finance -- 2.2.5 New Trend
in Green Industrial Transformation and Development -- 2.3 The Effects
of Green Industrial Transformation in China's Five Major Special
Economic Zones -- 2.3.1 The Status of the Improvement of Resource
Efficiency -- 2.3.2 Status of Pollutant Reduction -- 2.3.3 Status
of the Improvement in the Capability for Innovation -- 2.4 Evaluation
of the Capability for China's Special Economic Zones to Carry Out Green
Industrial Transformation and Development -- 2.4.1 Significance
of the Evaluation -- 2.4.2 The Building of an Index System of Evaluation
and Data Collection -- 2.4.3 Process of Evaluation -- 2.4.4 Analysis
of the Results of the Evaluation -- 2.5 Policies and Suggestions
for the Green Industrial Transformation in the Special Economic Zones
-- 2.5.1 Increase Support for Green Finance, Focus on Green
Technology R&D -- 2.5.2 Give Full Play to the Regulating Role
of Core Enterprises, Strengthen the Transmission Mechanisms of Green
Supply Chains -- 2.5.3 Increase Green Public Investments, Promote
the Development and Application of Green Technologies --
Bibliography -- 3 Report on Carbon Productivity and Sustainable
Development of China's Special Economic Zones -- 3.1 The Framework
for the Analysis of the Carbon Productivity of China's Special Economic
Zones Based on Material Flow Analysis -- 3.1.1 The Framework
of the Material Flow Analysis -- 3.1.2 Framework for the Analysis
of Carbon Productivity -- 3.1.3 Data Collection and Processing -- 3.2
The Evaluation of the Carbon Productivities of China's Special Economic
Zones Based on the MFA -- 3.2.1 The Initial Results of the MFA.
3.2.2 Calculation, Measurement and Decomposition of Carbon
Productivity -- 3.3 Conclusions and Policy Recommendations -- 4
Report on Innovation in and Development of China's Special Economic
Zones -- 4.1 Shenzhen Special Economic Zone -- 4.1.1 The
Contribution of the Output of the High-Tech Industry -- 4.1.2 The
Construction of Innovation and Development Carriers -- 4.1.3 Supply
of Innovation and Development Talents -- 4.1.4 Cross-Regional
Cooperation on Innovation and Development -- 4.1.5 Other Events --
4.2 Zhuhai Special Economic Zone -- 4.2.1 The Contribution of Output
of the High-Tech Industry -- 4.2.2 The Construction of Innovation
and Development Carriers -- 4.2.3 Supply of Innovation
and Development Talents -- 4.2.4 Cross-Regional Cooperation
on Innovation and Development -- 4.3 Xiamen Special Economic Zone
-- 4.3.1 The Contribution of Output of the High-Tech Industry -- 4.3.2
The Construction of Innovation and Development Carriers -- 4.3.3
Supply of Talents in Innovation and Development -- 4.3.4 Cross-
Regional Cooperation on Innovation and Development -- 4.4 Shantou
Special Economic Zone -- 4.4.1 The Contribution of the Output
of the High-Tech Industry -- 4.4.2 Building up Innovation
and Development Carriers -- 4.4.3 Supply of Talents in Innovation
and Development -- 4.4.4 Cross-Regional Cooperation on Innovation
and Development -- 4.5 Hainan Special Economic Zone -- 4.5.1 The

Contribution of the Output from Innovation and Development -- 4.5.2
The Creation of Innovation and Development Carriers -- 4.5.3 Supply
of Innovation and Development Talents -- 4.5.4 Cross-Regional
Cooperation on Innovation and Development -- 4.6 Urban Scale
and Innovation and Development Performance -- 4.7 Import
and Export Shocks and Slowdown in Innovation and Development --
4.8 Financial Constraints, Housing Supply and the Introduction
of Innovative Talents.
4.9 Select Innovation and Development Modes According
to Comparative Advantages -- 4.10 Promote Industrial Development
to Strengthen Industries' Ability to Resist Risks -- 4.11 Control the Rise
of Housing Prices to Prevent the Decline in Urban Attractiveness --
Bibliography -- 5 Report on the Development of Social Security
in China's Special Economic Zones -- 5.1 The Development of Social
Security in China's Special Economic Zones -- 5.1.1 The Development
of Social Insurance in China's Special Economic Zones -- 5.1.2 The
Status of the Development of Social Assistance and Social Welfare
in China's Special Economic Zones -- 5.2 Achievements
in the Development of Social Security in China's Special Economic Zones
-- 5.2.1 Achievements in the Development of Social Insurance
in China's Special Economic Zones -- 5.2.2 Achievements
in the Development of Social Assistance and Social Welfare in China's
Special Economic Zones -- 5.3 Realistic Difficulties in the Development
of Social Security in China's Special Economic Zones -- 5.3.1 The Social
Security System is Facing New Challenges -- 5.3.2 The Creation
of a Team for the Handling of Talents for Social Security Management is
Imminent -- 5.3.3 The System for the Construction of Social Security
Ruled by Law is Lagging Behind -- 5.3.4 The Effect of Poverty
Reduction on the Social Security System Needs to Be Optimized --
5.3.5 There Are Certain Limitations in Building up Social Security
Informatization -- 5.4 Policy Suggestions for Promoting
the Development of Social Security in China's Special Economic Zones
-- 5.5 Improve a Multi-Level Social Security System, Build a Solid Social
Security "Safety Net" -- 5.5.1 Scientifically Plan the Development
of Talents for Handling Social Security Business, Continuously Improve
Services.
5.5.2 Earnestly Promote the Construction of Social Security Ruled
by Law, Make New Progress in that Construction in a New Era -- 5.5.3
Accelerate the Promotion of the Tough Battle Against Poverty, Provide
Basic Security -- 5.5.4 Make up for the Shortcomings
in the Construction of Informatization, Improve the Level
of the Informatization of Social Security Public Services -- Bibliography
-- 6 Report on the Development of the System of Public Employment
Services in China's Special Economic Zones -- 6.1 The Importance
and Urgency of Building the Public System of Employment Services --
6.1.1 Strengthening the Construction of the Public System
of Employment Services is an Important Measure in Promoting High-
Quality Economic Development -- 6.1.2 Improving the Public System
of Employment Services is an Important Part of Ensuring and Improving
the people's Livelihood -- 6.1.3 Establishing a Comprehensive System
of Public Employment Services is an Inevitable Requirement
in the Development of a Harmonious Society -- 6.1.4 Ensuring
Employment is Presently the Top Priority of the Work of Governments
-- 6.2 Basic Situation of the Construction of the Public System
of Employment Services in China's Special Economic Zones -- 6.2.1 The
Shenzhen Special Economic Zone -- 6.2.2 Zhuhai Special Economic
Zone -- 6.2.3 Xiamen Special Economic Zone -- 6.2.4 Shantou Special
Economic Zone -- 6.2.5 Hainan Special Economic Zone -- 6.3

Experiences in the Construction of the Public System of Employment Services in China's Special Economic Zones -- 6.3.1 Improve the Public System of Policies Regarding Employment Services, Provide Institutional Guarantees for Promoting Employment -- 6.3.2 Actively Mobilize Social Forces, Increase Job Introduction and Training -- 6.3.3 Improve the Overall Management of Public Employment, Strengthen the Building up of Informatization -- Bibliography.
7 Report on the Development of the Financial Industry in China's Special Economic Zones.
