Multiple Citizens: How to Cultivate Relations -- Conclusion. Sensing Citizens: How to Collectivize Experience -- Notes -- Bibliography -- Index -- About the Author.
Sommario/riassunto	"Citizens of Worlds is the first thorough study of the increasingly widespread use of digital technologies to monitor and respond to air pollution. Drawing on data from the Citizen Sense research group, Jennifer Gabrys presents practice-based research on working with communities and making sensor toolkits to detect pollution while examining the political subjects, relations, and worlds these technologies generate"--
