Nota di contenuto	COVER; EDITOR AND CONTRIBUTORS; PREFACE; CHAPTER ONE: Dialogues on sexuality and gender; CHAPTER TWO: Freud and female sexualities; CHAPTER THREE: Some observations on female sexuality; CHAPTER FOUR: Phallacies of binary reasoning: drive beyond gender; CHAPTER FIVE: The difference between gender and sexual difference; CHAPTER SIX: Gender and sexual difference; CHAPTER SEVEN: From femininity to finitude: Freud, Lacan, and feminism, again; CHAPTER EIGHT: Femininity theory, theories of women, or feminist theory? CHAPTER NINE: Revisiting the riddle of sex: an intersubjective view of masculinity and femininity CHAPTER TEN: The economy of freedom; CHAPTER ELEVEN: Beyond sexual difference: clinical individuality and same-sex cross-generation relations in the creation of feminine and masculine; INDEX
Sommario/riassunto	'There are more questions than answers in this book - questions that are important and will continue to intrigue us. This book will be needed

to remind us of the different opinions and to help us create tomorrow's theories. Human experience cannot be reduced to sexuality, but there is sexuality in everything human.'- From the Introduction A challenging exploration of contemporary theories on femininity with cutting-edge papers from leading analysts, this volume presents a thought-provoking dialogue on femininity, sexuality, gender and masculinity. These key issues are analysed and discussed in new and stimulating ways, whilst familiar concepts are dissected and dismantled to bring forward fresh ideas. The diversity and developments currently advancing studies on femininity towards new understandings are shown clearly throughout. This rich and inspiring collection of papers grew from the "Sexuality and Gender" conference held in Sweden in 2002, organised by the Committee on Women and Psychoanalysis. The conference was created with the conscious intent of bringing different ideas to bear upon each other in order to promote further research into this vital area.
