Sommario/riassunto

The intersections of religion, politics, and performance form the loci of many of the most serious issues facing the world today, sites where some of the world's most pressing and momentous events are contested and played out. That this circumstance warrants continued, thoughtful, and imaginative engagement from those within the fields of theatre and performance is one of the guiding principles of this volume. This collection features a diverse set of perspectives, written by some of the top scholars in the relevant fields, on the many modern intersections of religion with theatre and perfo
