Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Theoretical background -- pt. 2. Clinical work with children -- pt. 3. Clinical and educational interventions in work with children.
Sommario/riassunto	The focus of this book is a series of detailed descriptions of clinical work with children. The contributors seek to understand their patients' problems by drawing upon a fundamentally psychoanalytic orientation. Their approach is influenced by recent advances in the understanding of infant development.
