Sommario/riassunto	What is creativity and how do we teach it? The Really Useful Creativity Book provides approaches and ideas that will enable children to develop their creativity. Written for the primary school teacher, student or trainee teacher, the book shows you how creativity can flourish in your classroom. With examples of practice included throughout, the issues covered include: everyday creativity - ideas to get started on straight awayplanning - with ideas for cross-curricular planning, and many other ways to plan for creativitycreativity and the e
