Sommario/riassunto	This book is concerned with EU democracy promotion inside Tunisia, the first Arab signatory of an Association Agreement with the EU. Focusing on the content, context, mechanisms, and outcomes of democratization via association, the authors examine whether Tunisia's specific mode of democratization works in tandem with EU democracy promotion objectives, and the extent to which both adapt association

in a way that neither sabotages EU democracy promotion nor undermines Tunisia's specificity. Drawing on Arabic, English and French sources, the book deploys a variety of methods and discip
