Sommario/riassunto

"This pocket-sized Dictionary offers huge coverage for the 40,000+ people studying or working in architecture, construction or any of the built environment fields. From Abaciscus to Zophorus, the reader is able to quickly track down precisely the term they are looking for. The book is illustrated with stunning drawings that provide a visual as well as a textual definition of both key concepts and subtle differences in meaning. Compact and affordable; Davies and Jokiniemi's work is the miniature version of the Dictionary of Architecture and Building Construction. The Architect's Illustrated Pocket Dictionary can be used on site or quickly at the desk and is suitable for all those interested in the buildings that surround us"--Provided by publisher.
