Sommario/riassunto	What is the role of the individual school 'subject' and 'subject teacher' within school? Is it to teach a set of core subject knowledge, skills and

understanding in a way that remains faithful to long-standing subject cultures and pedagogies? Or is there another way to consider how the curriculum and the notion of individual subjects and teachers' pedagogy could be constructed? Cross-Curricular Teaching and Learning in the Secondary School ... English brings together ongoing debates about personalised learning, creativity and ICT in education to establish a clear theoretical
