| Note generali           | Description based upon print version of record.  |
| Nota di bibliografia    | Includes bibliographical references and index.   |
| Nota di contenuto       | pt. 1. Reinventing local food and local knowledge -- pt. 2. Valorising local food and local knowledge.   |
| Sommario/riassunto      | Bringing together a range of case studies from Ireland, Scotland, Sweden, Germany, Norway, Poland, Italy, Portugal, Spain, and Greece, this book compares and contrasts different models of food re-localization. It examines, from the perspective of all actors involved, how networks are built, what the vulnerabilities are, and the sustainability of rural development. |
