Sommario/riassunto	This book addresses questions of language education in the United States, focusing on how to teach the 3.5 million students in American public schools who do not speak English as a native language. These students are at the center of a national debate about the right relationship among ESL, bilingual, and mainstream classes. Bilingual education has been banned by constitutional amendment in California and Arizona, and similar amendments are being considered in other states. Language Minority Students in American Schools: An Education in English places this debate and related issues of t
