Sommario/riassunto	This publication offers basic operational guidance on HIV testing and counseling in settings attended by people who inject drugs (PWID). It is intended for a wide audience, including policy-makers, HIV/AIDS programme planners and coordinators, care providers, nongovernmental organizations (NGOs) providing services for HIV-related conditions, and civil society groups. This is a joint publication of WHO (WPRO and SEARO) and UNODC (United Nations Office on Drugs and Crime, Regional Centre for East Asia and the Pacific). It is an additional instrument to allow people who use drugs to access health
