Nota di contenuto	Introduction -- Thinking and acting -- Theory and method -- Theorizing dark times: The origins of totalitarianism -- Theorising political action: the human condition -- Theorising new beginnings: On revolution -- Political theory and political ethics -- The role of the theorist.
Sommario/riassunto	Explores Arendt's understanding of method: of what political theory is its purposes and limits and how it is best undertaken. It shows that her unusual approach - which has led some to believe she fails to offer a consistent method - reflects a definite conception of and approach to political theory.
