

1. Record Nr.	UNINA9910806169603321
Titolo	Corneal graft failure
Pubbl/distr/stampa	Amsterdam : , : Elsevier, , 1973
ISBN	1-280-78324-9 9786613693631 0-470-71998-2 0-470-71765-3
Descrizione fisica	1 online resource (374 pages)
Collana	Ciba Foundation symposium (new series) ; ; 15
Disciplina	617.7/19
Soggetti	Cornea - Transplantation Transplantation immunology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"Symposium on Corneal Graft Failure, held at the Ciba Foundation, London, 15th-17th November 1972"--Participants page.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	Corneal Graft Failure; Contents; Introduction to the problems of corneal graft failure; Clinical patterns of corneal graft failure; Discussion; Pathophysiology of graft failure; Discussion; The quality of donor corneas for penetrating keratoplasty; Discussion; Problems of cell survival after freezing and thawing with special reference to the cornea; Discussion; Immunologically privileged sites and tissues; Discussion; Transplantation immunobiology of the cornea; Discussion; Corneal graft rejection : clinico-pathological correlation; Discussion The allograft rejection reaction: the leading cause of late failure of clinical corneal grafts Discussion; Recurrence of host disease in the graft; Discussion; The role of corneal vascularization in human corneal graft reactions; Discussion; The role of surgical factors in corneal graft failure; Discussion; Problems of corneal grafting in herpetic keratitis; Discussion; The role of steroids in the prevention of corneal graft failure; Discussion; The biological basis of immunosuppression; Discussion; Some clinical problems of immunosuppression; Discussion The influence of HL-A conipatibility on the fate of corneal grafts Discussion; Influence of histocompatibility on the fate of the corneal transplant; Discussion; Difficulties in the use of tissue typing for

corneal grafting; Discussion; General Discussion : The successful
corneal graft; Criteria for diagnosis of a corneal allograft reaction;
Summing up - Present knowledge and problems of corneal graft
failure; Index of contributors; Subject index
