Sommario/riassunto	In recent years, drug use, illegal migration and human trafficking have all become more common in Asia, North America and Asia: the problems of organized crime and human trafficking are no longer confined to operating at the traditional regional level. This book fills a gap in the current literature by examining transnational crime, human trafficking and its implications for human security from both Western and Asian perspectives. The book: Provides an outline of the overall picture of organized crime and human trafficking in the contemporary world, examining the current
