Sommario/riassunto	A thorough and accessible introduction to Maimonides, arguably one of the most important Jewish philosophers of all time. This work incorporates material from Maimonides' philosophical, legal, and medical works, providing a synoptic picture of Maimonides' philosophical range. Maimonides was, and remains, one of the most influential and important Jewish legalists, who devoted himself to a reconceptualization of the entirety of Jewish law. Offers both an intellectual biography and an exploration of the most important philosophical works in Maimonides' corpus. Persuasive!
