Sommario/riassunto	The Pacific Poetry Project's first volume, <i>Alive at the Center</i> , aims to capture the thriving poetic atmosphere of the Pacific Northwest. It concentrates on the three major cities that define it-Portland, Seattle, and Vancouver B.C. This anthology, compiled and edited by an outstanding poet from each city, is a cultural conversation among the unique urban communities whose perspectives share more than just a common landscape. <i>Alive at the Center</i> features distinctive, contemporary poets who speak to the individual spirits of these Pacific Northwest cities.
