Sommario/riassunto	Change is inevitable. Managing change is a choice. Authored by three esteemed leaders in the field of student affairs, Making Change Happen in Student Affairs: Challenges and Strategies for Professionals is a thought-provoking and pragmatic guide to the increasingly complex challenges and expectations that administrators face from both students and the public. Whether it's pressure to provide better programs and services with fewer resources, or difficulties grappling with economic challenges and technological change, the book teaches how to become an effective leader and skillful strategist i
