

1. Record Nr.	UNINA9910807135203321
Titolo	Mine health and safety management [[electronic resource] /] / edited by Michael Karmis
Pubbl/distr/stampa	Littleton, Colo., : Society for Mining, Metallurgy, and Exploration, 2001
ISBN	1-61344-069-3 0-87335-285-8
Descrizione fisica	1 online resource (473 p.)
Altri autori (Persone)	KarmisMichael
Disciplina	618.9/803/088622
Soggetti	Miners - Health and hygiene Mine safety Mineral industries - Management
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. A. Effective health and safety management systems -- pt. B. Building a health and safety culture -- pt. C. Safety and health hazard anticipation, identification, evaluation, and control.
Sommario/riassunto	Mine Health and Safety Management presents aspects of management, leadership, regulation, and compliance that pertain to mining health and safety. It focuses on instilling a safety culture and fostering the ability to recognize and manage health and safety responsibilities and requirements. It details effective health and safety management systems and concentrates on safety and health hazard anticipation, identification, evaluation, and control. The book is intended for practicing engineers and supervisors, health and safety professionals, the research community, as well as undergraduate and g
