Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction: ecumenism and the Vietnam War -- The roots of ecumania -- The NCC and the American way of life -- A brief interlude on Vietnam, to 1963 -- Awakening a loyal opposition, 1964-July 1965 -- Taking a stand, July-December 1965 -- Building an ecumenical peace witness, 1966 -- Sparking debate and action, 1967 -- Campaigns, confrontations, and civil disobedience, 1968 -- Courting Nixon, December 1968-fall 1969 -- Ecumenical erosion, fall-December 1969 -- Fighting Nixon and seeking a new strategy, January 1970-March 1971 -- Waging a moral argument, March 1971-January 1973 -- Epilogue: forty years in the wilderness.
Sommario/riassunto	The Vietnam War and its polarizing era challenged, splintered, and changed The National Council of the Churches of Christ in the U.S.A. (NCC), which was motivated by its ecumenical Christian vision to oppose that war and unify people. The NCC's efforts on the war exposed its strengths and imploded its weaknesses in ways instructive for religious institutions that bring their faith into politics. Embattled Ecumenism explores the ecumenical vision, anti-Vietnam War efforts, and legacy of the NCC. Gill's monumental study serves as a window into the mainline Protestant manner of engaging political issues at a unique

time of national crisis and religious transformation. In vibrant prose, Gill illuminates an ecumenical institution, vision, and movement that has been largely misrepresented by the religious right, dismissed by the secular left, misunderstood by laity, and ignored by scholars outside of ecumenical circles. At a time when the majority of scholarly work is committed to looking at the religious right, Gill's groundbreaking study of the Protestant Left is a welcome addition. *Embattled Ecumenism* will appeal to scholars of U.S. religion, politics, and culture, as well as historians of evangelicalism and general readers interested in U.S. history and religion.
